You need to use the same login and password for the two different online systems.

National Federations that do not have Internet access can claim registration forms at the UCI Sports Department—Track (according to article 9.2.003).

The UCI must receive registrations via the Internet or by mail within the following deadlines at the latest on (art. 9.2.004):

Alterations to the entry forms must comply with the following rules: National Federations may substitute up to two (2) riders entered for each of the World Champion title competitions provided that it communicates the name of the two substitutes in writing to the UCI at the latest 48 hours before the first race.

Moreover, riders entered for a competition may be declared as those to rider in another competition provided that the deadline for announcing the names of those to ride be respected.

8. COMPETITION CLOTHING

Riders of the same national team must wear identical racing shorts during the same event, except for advertising space included in a lateral band 9 cm wide, which may differ from one rider to another. This means that National Federations must also provide their riders with national racing shorts.

Team Managers must therefore present the national apparel to the College of Commissaires at the confirmation of participants.

9. AWARD CEREMONIES

The following arrangements will apply to the official ceremonies:

In accordance with the order set in the programme published in paragraph 7 of this document, the World Champion, the second and the third placed riders shall be ready for the official ceremony that shall be conducted under the responsibility of the Chief Commissaire.

Riders shall appear in racing attire, wearing their national jerseys but bare-headed and without headband or glasses, until they leave the official ceremony enclosure.

A World Champion may not wear the jersey identifying his title and bearing the regulation advertisement of his main sponsor(s) until, at earliest, the day following that on which he received it.

Any infringement of the provisions of articles 9.1.044 to 9.1.050 above shall be punished by a fine of CHF 2'000 to CHF 10'000. A higher fine may be imposed depending on the advantage derived from the offence.
